Harbor Beach Area District Library

A Note from the Director:

Winter is progressing at it's normal pace. This year we get to enjoy an extra day in February. Happy Leap Year! Hopefully that doesn't mean the winter weather hangs around longer than usual.

Please participate in our Lego Contest/Display, either by submitting an original design entry, or by voting for your favorite entry. You can also enter and vote! Prizes will be awarded.

We also continue to have a variety of craft classes for you; some offered by the library staff and some taught by other talented people. Make sure to register and pay for these classes, if you are interested.

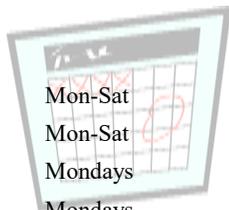

The Timeless Trivia program is open to all trivia buffs. This is a low-key trivia contest, not a cut-throat trivia contest. We watch a video that includes video clips, photos and sound clips from the past about the current topic. February is Love of the Games. The video includes trivia questions with multiple choice questions. We provide snacks too!

We recently started offering delivery of library materials to homebound people. If you know anyone in need of this service, please make them aware of the fact that it is available. We also are compiling a list of volunteers who would deliver the materials to the homebound as a library representative. If interested in volunteering, please talk to me.
