Harbor Beach Area District Library

A Note from the Director:

Happy 2020! Will 2020 start a new decade that matches the roaring 20s of the 1900s? We will have to see how it goes.

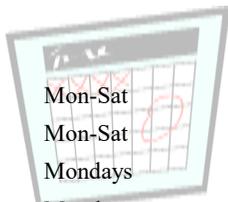

We are kicking of the new year with some great programs for you. You can chill out with some books and participate in our Adult Winter Reading Program. Trivia lovers can look forward to the return of our Timeless Trivia Series. Everyone who loves building with Legos should be working on their original Lego creation to enter into our annual contest, which will be held in February. The weekly Monday Movie Madness continues, with free movies at the Theatre on Monday nights. Also, crafters can register for our monthly craft programs.

The library board is working on drafting a policy so that we can offer homebound delivery service in our community. This service will only work if we have volunteers who are willing to take materials to the people on a bi-weekly or monthly basis. If you are willing to be a volunteer, please let me know.
